Guitar Tablature Explained

Guitar music can be notated three different ways: on a musical staff, in tablature, and in rhythm slashes

RHYTHM SLASHES are written above the staff. Strum chords in the rhythm indicated. Round noteheads indicate single notes.

THE MUSICAL STAFF shows pitches and rhythms and is divided by lines into bars. Pitches are named after the first seven letters of the alphabet.

TABLATURE graphically represents the guitar fingerboard. Each horizontal line represents a string, and each number represents a fret.

Notes: D A D E G open 3fr

Strings: 6 5 4 3 2 1

4th string, 2nd fret 1st & 2nd strings open, played together open D chord

definitions for special guitar notation

SEMI-TONE BEND: Strike the note and bend up a semi-tone (1/2 step).

WHOLE-TONE BEND: Strike the note and bend up a whole-tone (whole step).

GRACE NOTE BEND: Strike the note and bend as indicated. Play the first note as quickly as possible.

QUARTER-TONE BEND: Strike the note and bend up a 1/4 step.

BEND & RELEASE: Strike the note and bend up as indicated, then release back to the original note.

COMPOUND BEND & RELEASE: Strike the note and bend up and down in the rhythm indicated.

PRE-BEND: Bend the note as indicated, then strike it.

PRE-BEND & RELEASE: Bend the note as indicated, strike it and release the note back to the original pitch.

UNISON BEND: Strike the two notes simultaneously and bend the lower note up to the pitch of the higher.

BEND & RESTRIKE: Strike the note and bend as indicated then restrike the string where the symbol occurs.

BEND, HOLD AND RELEASE: Same as bend and release but hold the bend for the duration of the tie.

BEND AND TAP: Bend the note as indicated and tap the higher fret while still holding the bend.

VIBRATO: The string is vibrated by rapidly bending and releasing the note with the fretting hand.

HAMMER-ON: Strike the first (lower) note with one finger, then sound the higher note (on the same string) with another finger by fretting it without picking.

PULL-OFF: Place both fingers on the notes to be sounded. Strike the first note and without picking, pull the finger off to sound the second (lower) note.

LEGATO SLIDE (GLISS): Strike the first note and then slide the same fret-hand finger up or down to the second note. The second note is not struck.

NOTE: The speed of any bend is indicated by the music notation and tempo.

SHIFT SLIDE (GLISS & RESTRIKE): Same as legato slide, except the second note is struck.

MUFFLED STRINGS: A percussive sound is produced by laying the fret hand across the string(s) without depressing, and striking them with the pick hand.

PALM MUTING: The note is partially muted by the pick hand lightly touching the string(s) just before the bridge.

SWEEP PICKING: Rhythmic downstroke and/or upstroke motion across the strings.

TRILL: Very rapidly alternate between the notes indicated by continuously hammering on and pulling off.

NATURAL HARMONIC: Strike the note while the fret hand lightly touches the string directly over the fret indicated.

RAKE: Drag the pick across the strings indicated with a single motion.

VIBRATO DIVE BAR AND RETURN: The pitch of the note or chord is dropped a specific number of steps (in rhythm) then returned to the original pitch.

TAPPING: Hammer ("tap") the fret indicated with the pick-hand index or middle finger and pull off to the note fretted by the fret hand.

PINCH HARMONIC: The note is fretted normally and a harmonic is produced by adding the edge of the thumb or the tip of the index finger of the pick hand to the normal pick attack.

TREMOLO PICKING: The note is picked as rapidly and continuously as possible.

VIBRATO BAR SCOOP: Depress the bar just before striking the note, then quickly release the bar.

PICK SCRAPER: The edge of the pick is rubbed down (or up) the string, producing a scratchy sound.

HARP HARMONIC: The note is fretted normally and a harmonic is produced by gently resting the pick hand's index finger directly above the indicated fret (in parentheses) while the pick hand's thumb or pick assists by plucking the appropriate string.

ARPEGGIATE: Play the notes of the chord indicated by quickly rolling them from bottom to top.

- Go back to the sign (%), then play until the bar marked *To Coda* then skip to the section marked *Coda*.

- Go back to the beginning of the song and play until the bar marked *Fine* (end).

- Instrument is silent (drops out).

- Repeat bars between signs.

- When a repeated section has different endings, play the first ending only the first time and the second ending only the second time.

NOTE: Tablature numbers in parentheses mean:

1. The note is sustained, but a new articulation (such as hammer on or slide) begins.
2. A note may be fretted but not necessarily played.

The musical notation for the guitar solo in "The Sound of Silence" is presented in two staves. The top staff is a standard musical staff with a treble clef and a key signature of one sharp (F#). It contains a sequence of notes and rests, with some notes marked with 'x' to indicate specific fret positions. The bottom staff is a guitar tablature (TAB) staff, which uses numbers 1 through 12 to represent frets. It includes a 'TAB' label on the left and a series of numbers corresponding to the frets for each string. The notation is divided into measures by vertical bar lines, and some measures contain multiple notes or rests, indicating complex rhythmic patterns.

3. Roy - al Ca - na -

The musical score consists of three staves. The top staff is a single melodic line in treble clef with a key signature of two sharps (F# and C#). It begins with a whole rest, followed by a double bar line, and then a half note G4, a half note A4, a half note B4, and a half note C5. Above the staff, the chords G#5, A5, A#5, and B5° are indicated. The middle staff is a guitar accompaniment in treble clef, featuring a key signature of two sharps. It contains a series of eighth and sixteenth notes, some with 'x' marks indicating fretted positions. The bottom staff is a bass guitar accompaniment in bass clef, also with a key signature of two sharps. It contains a series of eighth and sixteenth notes, some with 'x' marks indicating fretted positions. The fret numbers for the guitar and bass are written below the notes.

The musical score is for the hymn "The Spirit of the Lord." It features a vocal melody in the treble clef and a guitar accompaniment in the bass clef. The key signature is one sharp (F#), and the time signature is 4/4. The vocal melody is written in a simple, clear style with lyrics underneath. The guitar accompaniment is written in a more complex style, using a mix of eighth and sixteenth notes, and includes a TAB section at the bottom. The TAB section uses numbers 1-4 to indicate fret positions and 'x' marks to indicate where to place the fingers. The score is divided into two systems, with the first system ending with a double bar line and the second system continuing the melody and accompaniment.
